

Alina ZEMLIANSKA – Candidate of Philological Sciences, Associate Professor, Associate professor of the Department of Social Science and Humanities at Dmytro Motornyi Tavria State Agrotechnological University; Master of Philosophy, educational program "Philosophy. Analysis of socio-political, cultural, educational and religious processes"; senior specialist of the Educational and Scientific Centre of TSATU and the secretary of the Scientific and Methodological Council of the university. Since 2022 she is a member of the subject (sector) expert group of the Ministry of Education and Culture of Ukraine (conducting examination of marking objects and making decisions on recommendations for their use in the educational space). She has an active social position and is a co-founder of the Innovative Horizons of Ukraine public organization, the main purpose of which is to protect scientific, social, cultural, educational and other interests of the organization members and citizens, preserve the Ukrainian language, and promote patriotism.

She conducted the 'Adaptation in a new place: comics about the main things' training as part of the 'Steps to Success during the Occupation: Winning for the Sake of Children' project, aimed at aiding internally displaced children and their parents. Additionally, she organizes and speaks at online Ukrainian language schools and webinars which cover the application of digital tools in the visualization of educational materials for pedagogical and scientific-pedagogical staff of educational institutions, etc.
